

800 PSE Set 800 Watt

Technical specifications

Power input	800 Watt
No-load speed 1st speed	0...1000 rpm.
No-load impact number	4900 rpm.
Impact energy	3,2 Joule
Recommended drilling area	
Hammer drilling up to Ø:	18 mm
Hammer drilling concrete up to Ø	26 mm
Drilling steel up to Ø	13 mm
Drilling wood up to Ø	40 mm
Collar diameter Ø	43 mm
Weight	2,9 kg
Order no.	04 28 4211
Bar Code no.	40 00649 05964 9

Set includes

*Hammer drill bits SDS-Plus Ø 6, 8 und 10 mm,
 Flat chisel,
 2-component soft hand grip with drilling depth gauge,
 professional carrying case*

Product features

- MAXX-Power 800 Watt motor with integrated switch for reversible function
- Angular design with spade grip ensures optimal handling and best possible centre of pressure control
- Best possible cooling of the motor and gear ensures longevity
- Reversible function
- Control electronics for soft drilling
- Synchronised change from drilling to chiselling operations
- Rotation stop with spindle lock for easy chiselling operations
- Hammer action stop for normal drilling
- Safety friction clutch protects the user
- SDS-Plus tool holder with automatic locking
- Soft hand grip and rubberised trigger switch for work with little sign of fatigue
- 4 m rubber mains cable with patented quick-action lock.
 Available as an accessory in 4 m and 6 m lengths.
